Knox-McCook Wedding.

Red Knox, son of Senator Philander C. Knox, of Pennsylvania, and Miss Bessie M. Cook, granddaughter of the late Capt. McCook, of the navy, were married last night at 9 o'clock in this city. The ceremony took place in the rectory of Christ Church, and was witnessed only by Dr. and Mrs. Frank H. Shultz, friends of the young couple, who reside at the Rochambeau, and some intruding newspaper reporters of Washington. Rev. W. J. Morton, the rector officiated. The marriage had not been announced and was a surprise to the relatives and friends of the contracting parties. It is understood there was no objection to the marriage from the relatives of either the bride or the bridegroom. The young people have been sweethearts for several years, and it is thought their sudden desire to be married in Alexandria was prompted by a spirit of romance. The trip to Alexandria was made by trolley car, and the return to Washington the same way. Upon arriving in this city the party went at once to the rectory, 407 North Washington street, where the wedding was delayed for an hour by the absence of the rector. The marriage license was issued by Deputy Clerk of Courts Nevill S. Greenaway, at his residence, on North Columbus street. Mr. Knox gave his age as twenty-six years and Miss McCook as twenty-one years. Mr. and Mrs. Knox returned to Washington at 11 o'clock, and taking a carriage at the Mount Vernon station, Twelfth street and Pennsylvania avenue, were driven directly to the Shoreman, where a supper was served to the wedding party. Red Knox holds the position of assistant clerk to the Senate committee on coast defenses, his salary being \$1,440 a year. Senator Knox is chairman of this committee.

Assaulted by a Woman.

An old soldier named Stephen Clements was taken to the Alexandria Hospital last night by Officers Jones and Roberts. Clements, who had been in the hands of a woman named Mary G. Galt, who lives on West Wilkes street, Clements' wounds were dressed by hospital attendants, after which the injured man left for his lodgings. Officers Bell and Henderson later arrested the Galt woman. She was brought before Justice Caton in the Police Court this morning when Clements gave his version of the assault, which he said was unprovoked. The woman, however, told an entirely different story. She said Clements, who lives in the house with the defendants, had attacked her with a knife and she was compelled to wield the knife in self-defense. The woman said this was not the first time Clements had assaulted her; that last year he had beaten her and broke her collar bone in three places. When asked if she was attended by a physician on the occasion, she replied no, and said she made liberal use of liniments and heal herself. Justice Caton continued the case till tomorrow morning. The police will in the meantime investigate the character of the house in which the plaintiff and defendant reside.

Presentation.

The employees of the various departments of the Washington division of the Southern Railway last night presented Mr. Charles S. Lake, the retiring superintendent of that division, with a handsome gold watch, chain and fob as an evidence of their high esteem. The presentation speech was made by Conductor Robert Sherman in the superintendent's office on Prince street, where Mr. Lake had been summoned to meet a large delegation of employees of the road. Mr. Lake responded in appreciative terms, and then said good-by to all present. He left this morning for Greenboro, N. C., to succeed W. S. Andrews, who recently resigned the office of superintendent of the Danville division to accept a position with the Queen and Crescent road. Mr. George V. Peyton, who will succeed Mr. Lake, has a rival here and took charge of the superintendent's office today. Mr. Peyton was formerly located here, and has recently been in charge of the Asheville division of the Southern. The changes are in the nature of promotions for Mr. Lake and Mr. Peyton.

Turned Over to Civil Authorities.

William S. Winebarger, the soldier in the 104th Company, Coast Artillery, who is alleged to have shot and killed Private Frederick Ganser, last Saturday night in Brown's saloon near Piscataway, Prince Georges county, Md., was turned over to the authorities of that county yesterday afternoon by the military authorities at Fort Washington. He is now held on the charge of murder. Winebarger had been confined at the fort since Sunday night, at which time he reported there and surrendered himself.

It is alleged that jealousy, aroused by Ganser's attentions to a young woman, led to the shooting.

It is said that she was present in the upstairs room, where the trouble, which culminated in the death of Ganser, began.

It is expected that the prisoner will come to trial some time in April, at the next sitting of the Circuit Court.

Police Court.

[Justice H. B. Caton presiding.] The following cases were disposed of this morning:

Edward Travers, arrested by Officer Knight charged with disorderly conduct, was dismissed.

Luther Robinson, colored, arrested by Officer Knight charged with assaulting Jennie Johnson, was dismissed.

Mary Galt, arrested by Officers Bell and Henderson charged with assaulting Stephen Clements, had her case continued.

Robert Smith, colored, arrested by Officers Beach Bell and Henderson charged with drawing a pistol upon Robert McCauley, was dismissed.

Beal, McCauley and Elias Taylor, both colored, arrested by Officer Knight for disorderly conduct, were fined \$5 each.

Persons.

The Gazette will be pleased to receive items, such as engagements, weddings, parties, teas and other news of personal interest for the "personal" column. The items should be indorsed with the name and address of the sender—not for publication, but as a matter of good faith.

Mr. Harry Hantmon left here today for Charlottesville, where he has accepted of a position as superintendent of the Charlottesville gas works. Mr. Hantmon was accompanied by his family and will make his future home in that city. His many friends here while regretting his departure wish him unbounded success in his new field.

Thomas B. Murphy, formerly of Richmond, now of Alexandria, was a caller at the office of the governor today. Mr. Murphy served several terms in the general assembly here. He removed from this city to Westmoreland, where he engaged in oystering, farming and lumber operations. Mr. Murphy left at noon for his home.—[Richmond News Leader.]

Miss Mary E. Carlin has returned from Elliott City, Md., where she has been on a visit to her sister.

Mrs. Stewart Jamieson at her residence on South Columbus street yesterday evening very charmingly entertained the members of the Thursday Evening Club.

Mrs. Mary M. Franklin, who for a number of years past has made her home in this city, will leave next week for Washington where she will make her future residence and where her sons, Mr. Harris Franklin and Dr. Edmund Franklin are in business.

A pretty wedding took place yesterday evening at 6 o'clock in the ballroom of the Shoreham Hotel, Washington, when Miss Augusta Notes, daughter of Mr. and Mrs. Marcus Notes, was married to Mr. Joseph Brandon, of New York. Mrs. Charles Duffey, of Alexandria, who was the matron of honor, wore a becoming gown of white duchess lace over white tulle, the trimmings being of seed pearls. She carried a large bunch of La France roses. Miss Carrie Notes, a sister of the bride, and Miss Virginia Aie, of Alexandria, the small flower girl, wore dainty frocks of white point d'esprit over pink tulle. Mr. Charles Duffey, of Alexandria, was one of the ushers.

Pigeon Perches on Grave.

The funeral of the late James E. McCracken, who died in Washington last week, was attended by the Red Men, of which organization the deceased was a member. The interment was in this city, and among the ceremonies at the grave was that of liberating a pigeon, indicating the flight of the spirit to another realm. The bird, however, sailed about the cemetery with loth to leave the inclosure, and it has since from time to time perched on the newly-made mound from which it was liberated.

Runkel Stock Company.

The Corrine-Runkel Stock Company opened a three nights engagement at the Colonial Theatre, Annapolis, Md., Monday night and was highly commended upon by press and public as being the strongest ever seen at that house. Standing room only prevailed. The company includes some of the best specialist artists on the road and their acts were fully enjoyed by all present. The company commences a three nights engagement at the Opera House on Thursday, January 31.

Milder Weather.

The weather is milder, the wind having changed to the south. The mercury stood at 16° at 7 o'clock this morning; as the day advanced the temperature continued to rise.

The surface of the river presents a mass of broken ice which moves up and down with the tide. Steamers have no trouble in moving to and fro, but navigation by sailing vessels has been brought to a temporary close.

Helmet and Belt for Chief.

At a meeting of Alexandria Lodge, No. 758, B. P. O. E., at their hall last night, it was unanimously decided to present Chief George W. Pettey, of the fire department, a helmet and belt as evidence of the services of this official to the city. This morning the presentation was made by a committee composed of Messrs. Thomas A. Fisher and C. B. Marshall.

New Elevator.

It was stated in the Gazette's Washington correspondence yesterday that an elevator is to be placed in the government building in this city. Sometime since Deputy Collector Geo. A. Nowland secured a proposal for installing a new elevator at the building. This estimate was then placed in the hands of Mr. James R. Caton, to whose personal efforts can be justly attributed the success of this much needed improvement.

Case Dismissed.

Robert Smith, colored, was arrested yesterday at the instance of Robert McCauley, also colored, whom he charged with drawing a pistol on him. Smith was brought before the Police Court this morning, when, according to the evidence, it appeared that Smith, instead of drawing a pistol drew a bottle on his adversary. The accused was dismissed.

Only 82 Years Old.

"I am only 82 years old and don't expect even when I get to be 100 to feel that way as long as I can get Electric Bitters," says Mrs. E. H. Brunson, of Dublin, Ga. Surely there's nothing else keeps the old as young and makes the weak as strong as this grand tonic medicine. Dyspepsia, torpid liver, inflamed kidneys or chronic constipation are unknown after taking Electric Bitters a few bottles. Guaranteed by E. S. Leadbeater & Sons, druggists.

The Colored Relief Society is doing a good work among the deserving poor and the thanks of the colored community are numerous. The services of Rev. McGowan had been dismissed with, as he is otherwise engaged. Anything that will help the cause will be acceptable at 606 South Washington street or sent to Superintendent William A. Carter.

It's a pleasure to tell our readers about a Cough Cure like Dr. Shoop's. For years Dr. Shoop has fought against the use of Opium, Chloroform, or other unsafe ingredients commonly found in Cough remedies. Dr. Shoop, it seems, has won the Pure Food and Drug Law recently enacted, for he has worked along similar lines many years. For nearly 20 years Dr. Shoop's Cough Cure contains no opium and other narcotic poisons. He has thus made it possible for mothers to protect their children by simply insisting on having Dr. Shoop's Cough Cure. Sold by E. S. Leadbeater & Sons, druggists.
